Bridging Generations

Nov 6, 2026

Session 4 Recap

In Week 4, youth and seniors talked about what makes up our cultures, from the traditions we grow up with to the everyday customs we carry with us. We shared our own experiences and looked at some common assumptions about different cultures, talking through which ones rang true and which ones missed the mark.

We also got moving together to YMCA and made little paper ornaments for our Bridging Generations Christmas tree. Each of us chose what our ornament would represent. Some reflected how we saw our culture, while others showed a little of who we are as individuals. We're looking forward to seeing them all together on our little tree in December!
